## ***Curriculum vitae / Vibeke Grupe Larsen (Dansk)***

<b>Født</b>	1961
<b>Nationalitet</b>	Dansk
<b>Uddannelse</b>	Cand arch, Arkitektskolen, Det Kongelige Danske Kunstakademi, 1988 Bachelor of Architecture, School of Architecture and Environmental Design, California Polytechnic State University, US, 1987
<b>Særlige kompetencer</b>	Proces-, projekt- og projekteringsledelse/miljøledelse på mellemstore og store byggeprojekter. Bygherrerådgivning vedr. bæredygtighed, energi og miljøforhold i planlægning og byggeri. Projekt- og Procesledelse, tværdisciplinære udviklingsprojekter Integreret design, proces facilitering Kommunikation og undervisning
<b>Sprog</b>	Engelsk (flydende i skrift og tale)
<b>Medlem af</b>	Akademisk Arkitektforening - maa
<b>Tillidshverv</b>	Leder af Task force vedr. Certificering, Bæredygtighed, Akademisk Arkitektforening, København Medlem af styregruppe, Danish Green Building Council Medlem af UIA Work program Sustainable Architecture Medlem af WGESA, Work Group on Environmental and Sustainable Architecture, ACE Architecture Council of Europe (Bruxelles) Udpeget som censor på Arkitektskolens Afgangsbedømmelser
<b>Videreuddannelse</b>	IT Universitetet – masters studier, design, kommunikation & medier. Byøkologi & Miljørigtig Projektering, Arkitektskolen i Aarhus CAD, Photoshop, Microstation etc. Arkitektek som procesleder, 2010
<b>Adresse</b>	VGLCPH / Vesterbrogade 15, 1. sal / 1620 København V
<b>Mobil</b>	+45 26 280 289
<b>Mail</b>	<a href="mailto:vgl@vglcph.dk">vgl@vglcph.dk</a>
<b>Web</b>	<a href="http://www.vglcph.dk">www.vglcph.dk</a>

- Egen praksis**    **VGLCPH aps** – [www.vglcph.dk](http://www.vglcph.dk)
- 2010-2011**    Proces- og projektleder, A+E:3D - digitalt værktøj for arkitektonisk energioptimering tidligt i designfasen
- Proces- og projektleder, A+E Basis / I / II / workshop – efteruddannelse i arkitektur og energi, Akademisk Arkitektforening / Danske Ark – 42 gennemførte kurser, heraf 2 på Færøerne.
- Medlem af styregruppen, Green Building Council, DK, p.v.a. Akademisk Arkitektforening
- Bæredygtig Projektering, anvisning for Danske Ark.
- Procesledelse, BOLIG+ - realisering af 60 energineutrale boliger i Aalborg, samt nye projekter.
- 2009**    *"Energiske faciliteter – bæredygtighed i idrætsbyggeriet"*  
Lokale- og Anlægsfonden på skrift om bæredygtige idrætsfaciliteter, som afsæt for LOA's politik på området.
- ARCHITECTURE 2.0" – kuratering af udstilling om bæredygtig arkitektur, Utzon center, Aalborg
- Gennemførelse af rådgiverkonkurrencen "BOLIG+ - 60 energineutrale boliger i Aalborg" – proces- og projektledelse i samarbejde med AplusB.
- Facilitering af proces om bæredygtighed som indsatsområde i bygningsopgaver, NNE Pharmaplan
- Sparring på konceptudvikling af bæredygtige byggerier, bl.a. i samarbejde med CEBRA, Bertelsen & Scheving, Harlang & Stephensen, C.F. Møller Arkitekter m.fl.
- Freelance konkurrencesekretær for AA Konkurrencer.
- Censor, udpeget af Kulturministeriet, på Kunstakademiets Arkitektskoles afgangsupgaver.
- Fagkonsulent på Danmarks Erhvervsakademi
- 2008**    "SustDANEable" - kuratering af udstilling om dansk bæredygtig arkitektur for den Danske Ambassade i Storbritannien, i samarbejde med Udenrigsministeriet, Danske Ark og Hemingway Design <http://www.sustdaneable.um.dk/en>
- Diverse oplæg, seminarer og oplæg om bæredygtig byudvikling og designstrategier, bl.a. ved Institut 2 og Institut 5 Arkitektskolen Aarhus, Byudviklingsforum og Privat Boligforum Realdania, Erhvervssejendom.
- 'Arkitektur & Energi' – Kravspecifikation til webapplikation til energioptimering af byggeri i samarbejde med SBi, Esbensen Rådgivende Ingeniører, AA, KA og AAA – afsluttet april 2008
- 'Arkitektur & Energi' – workshops for 10 arkitekttegnestuer (bl.a. KHR, HLT, Arkitema, Cebra) om energioptimering af byggeri i samarbejde med SBi, Esbensen Rådgivende Ingeniører, AA, KA og AAA
- Forberedelse af rådgiverkonkurrencen "BOLIG+ - 60 energineutrale boliger i Aalborg" – proces- og projektledelse i samarbejde med AplusB.
- Konsulent ved Institut 5, Arkitektonisk Design, Arkitektskolen Aarhus.

Er arkitektur en barriere for energibesparelser – er energibesparelser en barriere for arkitektur?’ – Byggecentrum kursus - De nye energibestemmelser - gennemført 20 gange i løbet af 2005-08

2007- BOLIG+ - konceptudvikling af konkurrence om energineutrale boliger, gennemføres – proces og projektledelse, i samarbejde med Akademisk Arkitektforening og AplusB

Projektledelse, implementering af miljøledelsessystem / ISO14001 miljøcertificering / efteruddannelse for Arkitektvirksomheden C.F. Møller, 300 medarbejdere

2005-2007 ”The Rock” – Nordens mest energieffektive byggeri, Arkitektvirksomheden C.F. Møller – integrated design process management,

Carlsberg Masterplan – konkurrence i samarbejde med HOTSON BAKKER BONIFACE HADEN Architects and Urbanistes.

Miljøledelse / bygherrerådgivning - Helhedsplan / økologisk koncept, DR Byen, 103.000 m2

’Arkitektur & Energi’ – forsknings- og formidlingsprojekt i samarbejde med SBI, Esbensen Rådgivende Ingeniører, AA, KA og AAA.

Tilrettelæggelse og gennemførelse af efteruddannelsesforløb, ’Bæredygtig arkitektur’ for bl.a. Henning Larsens Tegnastue Kasper Danielsen Arkitekter, Arkitektgruppen Holbæk, CREO Arkitekter, HS ARK, MT Højgaard, Rambøll, COWI

## Ansættelser

- 2006 – 2008 *Arkitektskolen i Aarhus*  
*Institut 5, Arkitektonisk, Design / Arkitektur & Miljø*  
Ekstern lektor ved
- 2001 - 2005 *RH ARKITEKTER AS*  
Projektledelse, udvalgte referencer  
[www.abcplanner.dk](http://www.abcplanner.dk) – internet redskab til miljørigtig projektering  
[www.kkplanner.dk](http://www.kkplanner.dk) ABCplanner for Københavns Kommune.  
Rådgivning i miljøledelse og miljørigtig projektering for Schmidt, Hammer & Lassen, Friis & Moltke, Kjær & Richter m.fl.  
Vejledning, miljørigtig projektering, for Praktiserende Arkitekters Råd  
Vejledning, miljøledelse, for Praktiserende Arkitekters Råd  
'Ressourcebevidst byggeri i Ørestad',  
Koordinering af udstilling af nordisk bæredygtig arkitektur i de nordiske ambassader i Berlin i forbindelse med UIA World Conference, 2002 – 'Nordic architecture as a resource'
- 1997-2006 *Associate professor, Architecture & Design*  
*Danish Institute for Study abroad, DIS:*  
'Sustainable by design' – Kursusforløb  
Studio teacher
- 1996 – 2001 *Vilhelm Lauritzen Arkitekter AS*  
Projektering, udvalgte referencer  
- Boliger, Tuborg Nord  
- Hilton Hotel, CPH  
- Terminal 3, CPH  
- Handelshøjskolen på Frederiksberg  
- Miljøleder
- 1995 - 1996 *KHR Arkitekter (tidligere KHRAS)*  
Skitsering og projektering (sagsarkitekt)
- 1994 - 1995 *Wohlert Arkitekter AS*  
Skitsering, projektering og byggeledelse (sagsarkitekt)
- 1993 - 1994 *Byens Tegnesteue Aps*  
Projektering (sagsarkitekt)
- 1988 - 1993 *Hvidt & Mølgaard AS*  
Skitsering og projektering

## ***Curriculum vitae / Vibeke Grupe Larsen (English)***

<b>Born</b>	1961
<b>Nationality</b>	Danish
<b>Uddannelse</b>	Cand arch, School of Architecture, Royal Danish Academy of Fine Arts, Copenhagen Bachelor of Architecture, School of Architecture and Environmental Design, California Polytechnic State University, US, 1987
<b>Specific Competences</b>	Sustainable design and management of buildings, teaching, communication, research, development of tools for sustainable design and management of buildings. Proces facilitation, education and communication Project management, small and medium size building projects Environmental management, small and medium size building projects Client advisor regarding sustainability, energy and environmental issues in planning and building projects Project management, multi disciplinary development projects Communication Education
<b>Sprog</b>	Danish, fluent English, fluent
<b>Member of</b>	Danish Architects Association Steering group, Danish Green Building Council UIA Work program Sustainable Architecture WGESA, Work Group on Environmental and Sustainable Architecture, ACE Architecture Council of Europe (Bruxelles)
<b>Positions of trust</b>	Head, Task Force on certification, Architects' Association Appointed juror on Master Theses, Danish Ministry of Cultural Affairs
<b>Further education</b>	IT University, masters studies, design, communication and media Urban Ecology and environmental management, School of Architecture, Aarhus Various courses on project and process facilitation
<b>Address</b>	<b>VGLCPH</b> / Vesterbrogade 15, 1. sal / DK-1620 Copenhagen V

## Projects in VGLCPH

VGLCPH is an architecture and consultancy firm, owned by architect maa Vibeke Grupe Larsen

VGLCPH aps was founded on January 1st, 2005.

VGLCPH bridges the gap between hard core environmental science and qualitative architectural design.

VGLCPH collaborates in networks with other firms in as project leader or supplier,

VGLCPH provides specific competences in sustainable design and management of buildings as well as supplementary professional training, research, development of tools for sustainable design and management of buildings.

2010-2012 Process and project manager, A+E:3D – a digital tool for architectural energi optimization in the early design phases of building design (Architecture+Energy:3Dimensions)

Client: Danish Energy Association

Partners: Danish Building Research Institute, Henning larsen Architects, Interactiv lab production, Esbensen Consulting Engineers, Danish Architects Association

Process and project manager, Architecture + Energy Basis / I / II / workshop / III / IV – post graduate education in architecture and energy

Client: Danish Architects' Association / Danish Association of Architectural Firms

Member, steering group, Green Building Council, DK

Client: Danish Architects' Association

Sustainable design, manual.

Client: Danish Association of Architectural Firms

Process facilitator, HOUSING+ - 60 energi neutral housing units in Aalborg (<http://www.boligplus.net/>)

Client: BOLIG+

2009

"Energetic facilities – sustainable sport facilities" - pamphlet

Client: THE DANISH FOUNDATION FOR CULTURE AND SPORTS FACILITIES

ARCHITECTURE 2.0" - Curating exhibition on sustainable architecture

Client: Utzon center, Aalborg

Process facilitator, running the competition, HOUSING+ - 60 energi neutral housing units in Aalborg

Client: BOLIG+

Proces facilitation, sustainability in buidling design

Client: NNE Pharmaplan.

Sparring, conceptualizing sustainability in architecture, for architecture offices

Clients: CEBRA, Harlang & Stephensen, C.F. Møller Architects, Bertehelsen & Scheving

Free lance secretary

Client: AA Competition

Juror at Final examinations, School of Architecture, Royal Danish Academy of Fine Arts, appointed by Ministry of Cultural Affairs,

2008

'SustDANEable' – Curating exhibition on Danish sustainable architecture.

Client: Danish Embassy in UK, in collaboration with Ministry of Foreign Affairs, Danish Association of Architectural Firms

Various contributions on sustainable urban development and design strategies.

Clients: Schools of Architecture, Aarhus and Copenhagen, Realdania, among others

'Architecture and Energy' – requirement specification for digital tool for energy optimization in building design, project management.

Client: Danish Energy Association

Partners: Danish Building Research Institute, Esbensen Consulting Engineers, Schools of Architecture in Copenhagen and Aarhus, Danish Architects' Association

'Architecture and Energy – workshops for architects'

Clients: KHR, HLA, Arkitema, CEBRA, 3XN among others

Partners: Danish Building Research Institute, Esbensen Consulting Engineers.

Process facilitator, preparation of competition, HOUSING+ - 60 energi neutral housing units in Aalborg (<http://www.boligplus.net/>)

Client: BOLIG+

Consultant, Institute 5, Architectural Design

Client: School of Architecture, Aarhus

'Is architecture a barrier for energy optimization? Is energy optimization a barrier for architecture?' – Course on new energy requirements in Danish Building code, due to EPBD

Client: Byggecentrum

2007-

Process facilitator, conceptualizing HOUSING+ - 60 energi neutral housing units in Aalborg (<http://www.boligplus.net/>)

Client: BOLIG+

Project management, implementation of environmental management and post graduate education (internal), according to ISO 14001

Client: C.F. Møller Architects, Copenhagen/Aarhus/Vejle/Aalborg

2005-2007

"The Rock" – consultant on competition on the most energy efficient office building in the Nordic countries – integrated design, process management

Client: C.F. Møller

Carlsberg Masterplan – competition on sustainable urban development at Carlsberg

Client: HOTSON BAKKER BONIFACE HADEN Architects and Urbanistes.

Environmental management – Masterplan, eco concept, DR Byen, 103.000 m2.

Client: DR Byen

Architecture and Energy – Research and development

Client: Danish Energy Association

Partners: Danish Building Research Institute, Esbensen Consulting Engineers, Schools of Architecture in Copenhagen and Aarhus, Danish Architects Association

Post graduate education, sustainable architecture, for architects

Clients: HLA, Kasper Danielsen Arkitekter, Arkitektgruppen Holbæk, CREO Arkitekter, HS ARK, MT Højgaard, Rambøll, COWI

## Engagements

- 2006 – 2008 *School of Architecture, Aarhus  
Institutet 5, Architectural Design / Architecture and Environment*
- 2001 - 2005 *RH ARKITEKTER AS*  
Project management, selected projects:  
[www.abcplanner.dk](http://www.abcplanner.dk) – digital tool for environmental design  
[www.kkplanner.dk](http://www.kkplanner.dk) - digital tool for environmental design, Copenhagen municipality  
Environmental management – consultant for Schmidt, Hammer & Lassen, Friis & Moltke,  
Kjær & Richter m.fl.  
Manual, environmental design, Danish Association of Architectural Firms  
Manual, environmental management, Danish Association of Architectural Firms  
Resource conscious design of housing/offices in Ørestad – competition  
Curator, exhibition on sustainable architecture in the Nordic Countries – venue: The Nordic  
embassies in Berlin
- 1997-2006 *Associate professor, Architecture & Design  
Danish Institute for Study abroad, DIS:  
Studio teacher  
Sustainable by design – series of lectures*
- 1996 – 2001 *Vilhelm Lauritzen Arkitekter AS*  
Design, selected references  
- Housing, Tuborg Nord  
- Hilton Hotel, CPH  
- Terminal 3, CPH  
- Business school, Frederiksberg  
- environmental coordinator in various projects
- 1995 - 1996 *KHR Arkitekter (tidligere KHRAS)*
- 1994 - 1995 *Wohlert Arkitekter AS*
- 1993 - 1994 *Byens Tegnestue Aps*
- 1988 - 1993 *Hvidt & Mølgaard AS*
